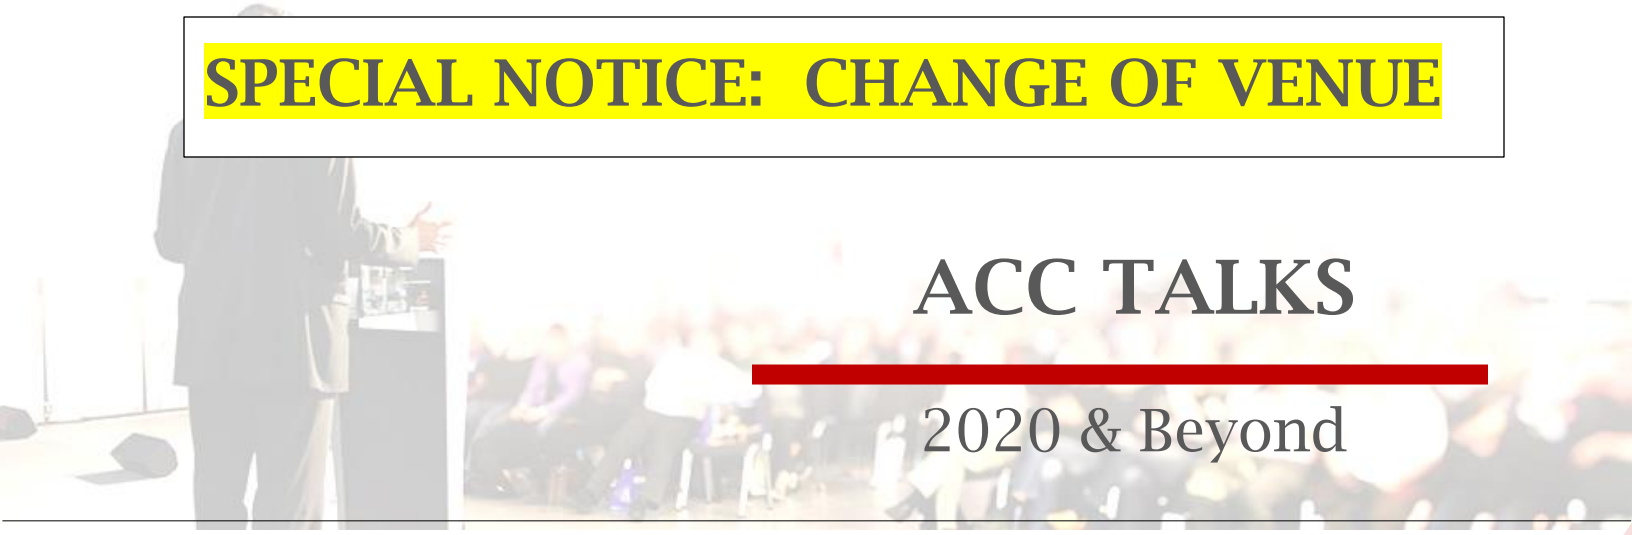
SPECIAL NOTICE: CHANGE OF VENUE



ACC TALKS

2020 & Beyond

(Alpena Community College's version of TED Talks for Northern Michigan)

TOPIC: Celebrating Michigan Out Of Doors!

GUEST SPEAKER: Jimmy Gretzinger

Since the 1950's, the Michigan Out Of Doors show has been a special tool for promoting some of the State's greatest assets... it's forests, lakes and streams. By growing up in Ludington and obtaining an audio/visual production degree from Michigan State University, it seems almost natural for Jimmy Gretzinger to have joined Michigan Out Of Doors in 1998 and now to be its owner/leader.

ACC TALKS is privileged to have Jimmy Gretzinger visit to share his career story, information about the history of the Michigan Out Of Doors show and hold an interactive discussion with attendees on where the show may be heading.
