2014 Community College Summer Research Fellowship Program

“Building bridges towards opportunities in the world of research”

Program Information:
UROP offers a 10 week summer research fellowship for currently enrolled community college students in the state of Michigan and interested in transferring to the University of Michigan Ann Arbor in either Fall 2014 or Winter 2015. Students should be interested in conducting research in any of the following fields: biomedical sciences, social sciences, humanities, engineering, or natural and environmental sciences.

The Program is Designed to:
- Get hands-on experience and learn about current research in a field of interest
- Connect with a University of Michigan faculty mentor
- Gain familiarity with the University of Michigan and campus resources
- Learn about financial aid, application procedures, meet admissions representatives, etc.

⇒ Students will be expected to work 25-40 hours per week depending on the research project and field. Students will earn a stipend ranging from $2,000-$3,500 depending on hours worked per week. Housing stipends are available for students who live outside of Wayne and Washtenaw counties based on financial need.
⇒ The program seeks to attract a diverse student population, including women and historically underrepresented students, first generation college students, and students from socioeconomic disadvantaged backgrounds.

Who is Eligible to Apply?
- Students currently enrolled at any Michigan community college, who plan on applying to transfer to the University of Michigan –Ann Arbor within the next year.
  OR
- Students currently enrolled at any Michigan community college, who has been admitted to UM-Ann Arbor for Fall 2014.
⇒ Unfortunately, due to the limited funding, Second Degree Students (i.e. Bachelor’s Degree or higher) are not eligible for this program.
