

# **ASSOCIATE DEGREE NURSING (ADN) PROGRAM INFORMATION PACKET 2018-2019**

(Version 19.1)

---

## **PROGRAM DESCRIPTION**

The Alpena Community College Nursing Program curriculum contains both the Practical Nursing (PN) and the Associate Degree Nursing (ADN) Programs and is designed to improve nursing career mobility and provide seamless progression from PN to ADN education. The Practical Nursing and Associate Degree programs are both approved by the Michigan Board of Nursing and both are accredited by the Accreditation Commission for Education in Nursing (3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326, 404-975-5000). Following successful completion of the PN program requirements, students apply for licensure as a Licensed Practical Nurse (LPN) and have the option of continuing into the ADN program if they meet the requirements. Upon successful completion of the ADN program, graduates obtain an Associate's Degree and apply for licensure as a Registered Nurse (RN). The Nursing Program is rigorous and challenging. It requires a high level of student commitment and mastery of content in many academic areas. Students entering the nursing program must be 18 years of age prior to the start of their first clinical rotation and have a high school diploma, or General Education Degree (GED), or be enrolled in the Early College Program.

## **PROGRAM INFORMATION**

- Twenty (20) PN and twenty (20) ADN students are admitted each fall and spring semester.
- ADN nursing courses are offered primarily during the day/afternoon at the Alpena campus. Associate Degree nursing courses are scheduled into two 16 week semesters.
- In addition to lecture and laboratory, clinical practice is required. Students must meet requirements as designated by the department, College, and clinical facilities.
- Applicants should be aware that the Michigan Board of Nursing may deny a license to any applicant who has been convicted of a felony or certain misdemeanors or is addicted to drugs or alcohol. ACC is not responsible if an applicant is denied licensure after completion of the Nursing Program. If the felony is such that the student would not be able to attend clinical rotations at any of our sites, admission to the Program would be denied.
- In addition to nursing courses, the corequisite courses English 112 (ENG 112) and Political Science (PLS 221) are part of the ADN Nursing Program curriculum and must be successfully completed by ADN students. State and Local Government (PLS 222) will be accepted. It is highly recommended to complete as many of these courses as possible prior to starting the Nursing Program.
- Prerequisite courses may only be repeated once. Withdrawals will be counted as an attempt of taking the class. The highest grade received in the course is used in calculating the student's GPA. Science courses that are older than five years from the date the student formally begins the nursing program will be evaluated on an individual basis for acceptance.

**SELECTION PROCESS**

- Applications will be reviewed within one week following the end of each semester. All applicants can expect to receive letter/email notification regarding their application status from the Nursing Department within two weeks following the end of each semester. Students who are not admitted must reapply. Please be aware that meeting minimum requirements does not guarantee an opening in either Program.
- In the event that more than one student with the same score is eligible competitively to be admitted to either ACC Nursing Program admission to the program will be based on:
  - a. GPA
  - b. Work experience
  - c. Application date at the point when all prerequisite courses were met
- Alpena Community College admits students to the RN Nursing Program under a Selective Admission Process using the Admission Process Qualified Student Selection Form (Tables A & B). The criteria for admission will be based on: Grades (GPA of prerequisite courses and corresponding lab courses), number of credits earned at ACC, previously earned degrees, healthcare work experience documented within the last five years, and proof of students having an unencumbered LPN license.
