

### ACC Prospective Players Meeting:

The Alpena Community College ACHA DIV. III Lumberjack Hockey team will be holding a meeting for Prospective Players for the 2018/2019 season. The meeting will be in the lobby at Northern Lights Arena on February 9<sup>th</sup> at 5:00 p.m. The meeting will take place just prior to our last home games of the season against School Craft College, which has a 7:00 p.m. game time.

This meeting is being held to see if we would have enough ACC student/athletes to field a team for next season. This meeting is extremely important. Without enough committed players, we would not be able to field a team for next season. I need to have an answer for the league and ACC prior to March 1, 2018. So if you or any student you know who will be attending ACC in the fall and would like to play hockey for the college, please come to the meeting.

If you have additional questions, please contact Team Manager, David Guzman at:
