In today's college environment, one of the most important services that students can take advantage of is tutoring. The Student Services Center at Alpena Community College offers quality tutoring on an individual or group basis.

To request an appointment, come to the Student Services Center in Van Lare Hall Room 101, or call (989) 358-7270.

All tutoring services are **FREE** for ACC students and we have tutors for most subjects offered here at ACC.

Tutoring sessions are usually scheduled for 50 minutes. Students can schedule up to three hours of tutoring per week, per class.

To get the most out of a tutoring session, students should finish class assignments and prepare a list of questions or topics to discuss with the tutor.

Our tutors can assist with coursework as well as:

- Proofreading papers
- Study skills
- Note-taking tips
- Problem solving strategies
- Test review and preparation
- Writing skills
- Time management
- Referrals to other services on campus

ACC tutors have a minimum grade point average of 3.0 and at least a B in the course they are tutoring, and/or the instructor's recommendation.

We are continually looking for new tutors. Stop by SSC and speak with the Tutor Coordinator today!
