Admissions Policy

Alpena Community College grants admission to all persons who have earned a high school Diploma, Certificate of Completion or GED, or who are 18 years of age or older, and who demonstrate the ability to benefit from a particular program of study. Ability to benefit may be demonstrated by those who:

1. Have satisfactory skills*as measured by institutional placement testing for reading, language and numerical skills or
2. Can produce Test of English as a Foreign Language (TOEFL) test score results of 500 or better when coming from a non-English speaking country.

The age requirement is waived for a high school student who:

1. Is a dually enrolled high school student*as provided for by the State School Aid Act, as amended, or

2. Is certified as having attained junior status toward graduation as determined by the high school or the home schooling association issuing the diploma. College course enrollment will be determined in accordance with the Alpena Community College ACCUPLACER (previously Compass) placement test results for reading, language and numerical skills.

* Interested high school students should contact their high school principal or guidance counselor for further information.

This admissions policy applies to admission to the College only and is intended to assure students of both opportunity and quality in programs. Admission to a specific curriculum or course is based on student interest, achievement, and test scores necessary for preparation to enter a specific program or course.

Repetitive Course Enrollment Policy

Alpena Community College credit courses may be repeated only once where any grade (i.e., A-W) has been earned. Specifically, if a course has been taken twice and any grade was earned, written permission from the Registrar's Office (and the Financial Aid Office, if applicable) is required prior to a third enrollment. The highest grade in the course will be used in calculating the student's grade point average.

Important Information for Students Receiving Financial Aid:

Courses taken for Audit and courses repeated more than once after previously passing the course do not count as part of a student's financial aid enrollment status, and can affect your financial aid award.

Effective Date: Spring 2012 Semester

Placement Testing Schedule

The ACCUPLACER placement assessment is required for:

- All new Alpena Community College students who do not meet the SAT or ACT Reading, English and Mathematics subscore requirements and wish to register for more than one course. Students who accumulate 6 credit hours by taking one course per semester will be required to take the accuplacer placement test battery. (Note: placement tests will only be given in the subject areas where subscore minimums were not met.) OR
- Have not earned a minimum of 12 college credits including at least one college level course in either English or Mathematics AND
- All students who enroll for the first time in an English or mathematics course.

The ACCUPLACER Placement Test replaces the previously used Compass Test and is strongly recommended for all students, regardless of course load or field of study.

New students must submit an Application for Admission to the Admissions Office before attending assessment. Please bring a valid photo ID with you to the testing room. The E-Write is the only portion of the test which is timed. Examinees should allow approximately 2 hours.

No food, drinks, electronic communication devices are allowed in the testing room. Pencils, pens, calculators and paper are provided if needed.

Alpena Campus Placement Testing Schedule

The Alpena Campus has walk-in hours each week day; other testing times are available by appointment. To schedule an appointment contact Beth Matzke in the Testing Center at 989.358.7209.

Spring 2018 Online Classes

Do you want to take classes but are unable to attend at standard times? Online courses make it easy for you to take classes over the Internet when it's convenient for you. Not every student is a candidate for distance education, but those with an extra measure of motivation and self-discipline may find the convenience appealing. For more information regarding Internet-based classes, contact the instructor.

Introducing Office 365 for all ACC students!

ACC now offers FREE Office 365 for all ACC students. Students are able to download up to 5 free versions of Word, Excel, OneNote, Outlook, and PowerPoint. Included with this is your own MyACC Email Account. Official correspondence from faculty and staff will be sent to your MyACC email account. Students are responsible for the information received and will need to monitor their email account on a regular basis.

The College will not sell your email address to any marketing companies, nor will we send you spam. The goal of MyACC email is to further enrich your college experience! Whether you need to get in contact with your instructor, set up a study group among classmates, or ask a staff member a tricky question, you can do all of that and more through your MyACC email. Your email account is yours to keep forever as long as it is being actively used.

Questions regarding Office 365 or MyACC email can be directed to the MIS Department at helpdesk@alpenacc.edu or 989.358.7374.

Students should be checking their ACC Email at least once a day. If students miss out on any communication from their instructors or from staff members due to not checking their email, special accommodations will not be made. This includes Financial Aid deadlines, registration information, class cancellations, and more.

Did you know that there's an app for that?

Download the Microsoft Outlook App to your iOS, Android, or Windows device and take your email with you wherever you go! For help on setting the app up, stop by the MIS Department in Center Building 108.
