

AUTO BODY REPAIR

Certificate

Minimum Credits: 34.0

Contact Hours: 60.0

INTRODUCTION: One of the sub-specialties of the automobile repair and maintenance industry is auto body repair. This specialty has been changing rapidly in recent years because of new materials, assembly processes, and tools. This one-year Alpena Community College curriculum provides the modern training required to be up-to-date in this field of work. Skills will be developed in areas of removing, replacing, and straightening of body panels and fenders, MIG welding and refinishing processes including basecoat, clearcoat and tri-coat, painting procedures, rubbing, and polishing.
