

INDUSTRIAL SALES
Associate in Applied Science (AAS) Degree

Minimum Credits: 60.0
Contact Hours: 71.0

INTRODUCTION: This program equips successful students with the foundational skills to pursue a career in industrial sales, which differs significantly from retail sales. The successful industrial salesperson must identify and understand the needs of potential industrial customers, determine if their product will add value by improving effectiveness, efficiency, and quality, the appropriately communicate with the customer to develop long term partnerships.
