- In the great majority of cases, it's by someone she knows – and also most often, she does not report what happened.
- And though fewer, men, too, are victimized.

- By law, schools that receive federal funds are obliged to protect students from sexual assault.

Title IX Compliance is directly involved in Clery Compliance

- Prohibits discrimination on the basis of sex
- Sexual Harassment is a form of sex discrimination and includes violent and non-violent sex offenses reportable under Clery
- The College must investigate and take prompt remedial action in response to a report of sexual harassment

Drug-Free Campus & Community Act

- Colleges must annually give every student and employee a publication addressing the legal and health risks associated with drugs and alcohol, and information regarding resources in the community for treatment and prevention.

Risk of Non-Compliance

- Fines – up to \$35,000 per violation
- Termination or suspension of eligibility for federal student aid

Risk of Non-Compliance

- 60 Requirements for Basic Compliance
- Department of Education and Office of Civil Rights have increased focus on compliance
- Non-Compliance becomes evident when an incident of violence occurs

Clery Basics:

- Crime Reporting
- Requires institutions to annually report
 - Where crimes occurred
 - To Whom the crimes were reported
 - Type of crimes reported and
 - Year in which crimes were reported

Where?

- On-Campus
- On public property within or adjacent to campus
- In or on non-campus buildings or property owned or controlled
- “***Controlled by***” means rents, leases or some type of ***written*** agreement –no payment for space required

Who?

- Policy must state who is surveyed to collect statistics, including:
 - Campus Security Authorities and Law Enforcement Agencies and Third Parties
- It is *not* necessary for the crime to have been investigated by the police or a campus security authority to be reportable.
- It is “*reported*” when brought to the attention of a campus security authority or local law enforcement – by victim, witness or 3rd party

Who is a CSA?

How is a campus official designated as a Campus Security Authority (CSA)?

McCaskill Report on Campus Sexual Violence

- Sexual violence is a community issue that calls for our full and immediate attention. We believe that colleges and universities that embrace the letter and the spirit of the Jeanne Clery Act and other intersecting laws will create safer, more transparent campus communities.
- But a transformation of campus climate requires more than data or new legislation. This issue demands leadership through explicit, unwavering support from members of the entire campus community.
