Gainful Employment Disclosures – 2019

Program Name: Utility Technician – Advanced Certificate

This program is designed to be completed in 42 weeks.

This program will cost $14,863 for in-district and $20,792 for out-district students if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed. These costs estimates are based on 2018-2019 tuition costs and includes estimates for required books, supplies and equipment.

Of the students who completed this program within normal time, the typical graduate leaves with $2,750 of debt.

The following States do not have licensure requirements for this profession: Michigan.
