EVENT: **THIS IS YOUR TIME TO ASK QUESTIONS!**
(Before the semester starts)

PRESENTERS: Alexus Coykendall, ACC Nursing Student
Dr. Marv Pichla, ACC Oscoda Campus Director

In July, ACC participated with Michigan State University Extension to offer the first “Cracking the Code to College” LIVE video-based session. Current ACC Student, Alexus Coykendall, was part of a college student panel that took questions from across Michigan. She represented us VERY WELL.

Based on the success of this state-wide initiative, ACC is offering its own special “did you know moment” for students. This event is open to current and seeking college students. There is no such thing as a stupid question!

**DATE:** Wednesday, August 12th
**TIME:** 11:30 am – 12:30 pm. Fill your lunch break with learning.
**RSVP:** Please email whatnext@alpenacc.edu to receive your session invitation and instructions.
**LOCATION:** LIVE Online via Webex video conferencing meeting
