ACC LANGUAGE SOCIETY TO HOST “TLS PRESENTS: EUROPE 2019”

ALPENA, MICH. — The Language Society at Alpena Community College is hosting a symposium entitled “TLS Presents: Europe 2019” on Friday, September 27, at 7 p.m. in Granum Theatre. During the symposium, community members will have the chance to hear stories from students and faculty who went on a trip to Europe this past summer with the Language Society.

Ten students and three faculty members went on a 9-day trip around Europe that started June 3. During this trip the group visited Amsterdam, Budapest, Prague, Krakow, Berlin, and Paris. Students participated in a variety of fundraisers over the course of two years to help pay for the trip. “This was The Language Society’s second trip to Europe,” says Walchak. “The opportunity to travel is life changing. As well, we are bringing back our experiences from around the world to the people of Alpena and the surrounding communities.” As part of their membership to the group, students are working on foreign languages and studies of culture in addition to their travels.

The Language Society is a collaboration of language learners dedicated to enhancing the foreign language experience of students, faculty members, staff, and alumni of Alpena Community College, as well as community members. Their goals include enhancing the linguistic skills of members as well as participating in community service by using languages for a variety of purposes.
