Join the ACC Student Nurses Association for their first annual Teddy Bear Picnic! This event gives children an opportunity to learn how to take care of their teddy bear. Kids can bring their stuffed animal and pick a medical diagnosis for their toy. Student nurses will then help them go through the process of treatment and how to care for their stuffed animal. If you don’t have a teddy bear there will be a limited number available at the event.

Topics include:
- Wound care
- Chicken pox
- Fever
- How to splint an arm or leg
- Stitches
- And more!

Staff from both the Alpena City Police and the Alpena Fire Department will be available to explain the importance of safety. Other attractions include food and beverages, family fun games, face painting, a raffle, and more!

There will be an information table on ACC’s Healthy Futures Start Here Capital Outlay Project, which will provide updated classroom and lab space for the ACC Nursing Department.

Fun for the whole family!

This event is by donation and open to the public.

Saturday, October 5th
12 p.m. - 3 p.m.
Bay View Park - Alpena
